WHEREAS, Grantor has designed, permitted and constructed certain facilities for the provision of water to the Property, including water liens, water mains, pipes, service lines, tees, joints and appurtenances (hereinafter “Water Line Facilities”), for which **Grantor** intends to convey ownership of such Water Line Facilities to **Grantee**; and

WHEREAS, providing of Water Line Facilities to the Property constitute a public purpose; and

NOW, THEREFORE, in consideration of the public purpose stated herein, and the mutual covenants, terms, and conditions and restrictions contained herein, together with other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Incorporation of Recitals. The foregoing recitals are hereby incorporated fully herein by this reference.

2. **Grant of Easement.** Grantor hereby voluntarily grants and conveys to Grantee, subject to any previous and duly recorded easements or grants of record, a perpetual non-exclusive water line easement over, under, through, and across the real property described in **Exhibit “A”**, a copy of which is attached hereto and incorporated herein by this reference (hereinafter “Water Line Easement”); and a perpetual non-exclusive ingress and egress easement across the real property legally described in **Exhibit “B”**, a copy of which is attached hereto and incorporated herein by this reference (hereinafter “Ingress/Egress Easement”). Said easements shall be of the nature and character and to the extent hereinafter set forth.

3. **Purpose of Water Line Easement.** The Water Line Easement is granted for the express and sole purpose of allowing Grantee to perpetually use the property within the Water Line Easement for the construction, installation, repair, replacement, operation, connection to, disconnection from and maintenance of such water line facilities as may be reasonably and customarily necessary for Grantee to provide water service to the Property.

4. **Purpose of Ingress/Egress Easement.** The Ingress/Egress Easement is granted for the express and sole purpose of allowing Grantee to perpetually use the property within the Ingress/Egress Easement to reasonably access its Water Line Facilities contained within the Water Line Easement for the purposes provided therein.

5. **Rights and Obligations of Grantee.** To accomplish the purpose stated above, and at Grantee’s sole expense, the following rights are conveyed to Grantee by this Easement:

(a) the right for Grantee to inspect, alter, improve, construct, repair, rebuild, relocate and remove, connect to, disconnect from, and maintain the Water Line Facilities and related appurtenances within the Water Line Easement;

9. **Sovereign Immunity.** Nothing contained in this Agreement shall be construed as a waiver of the **Grantee's** right to sovereign immunity under Section 768.28, *Florida Statutes*, or other limitations imposed on the **Grantee's** potential liability under state or federal law.

10. **Indemnification.** **Grantee** agrees to the fullest extent permitted by law, to indemnify, defend and hold harmless **Grantor** from and against all claims, losses, damages, personal injuries (including but not limited to death), or liability, arising from, out of, or caused by: **Grantee**, its officers, employees, agents, or contractors, negligent or intentional acts, errors, omissions in the operation, maintenance, construction, repair or other use contemplated herein of the Water Line Facilities, except to the extent of negligence or wanton misconduct of the **Grantor**.
